Headrest

Zero Gravity and Tilt-in-space: Create a feeling of weightlessness by elevating your legs above your upper body, with only a limited amount of space needed behind the lift recline chair

Legrest Extension: Provides improved support under the lower legs, especially beneficial for taller users¹

Electric Adjustable Headrest: Ideal for watching TV, reading, or relaxing while reclined, ensuring your neck is always well supported

Variable Seat Depth: A 25mm range of seat depth ensures users achieve an optimal seating position

Simplified Handset

Precise and Simple Handset Options: Achieve the perfect position with the precise handset. An optional simplified handset is available for basic functions. Handset loops allow for easy access on either side of the chair

Custom Upholstery

Choose from a range of leather, microsuede, and fabric options for a custom finish and personalised style
