

Ellipse Superlite Rollator Padded Travel Bag

Fits all sizes

Ellipse Superlite Rollator

2.88 kgs

Product Code: 9346376000673

Fits all Ellipse Super lite Carbon Frame Rollators

Features:

Tailored Fit for the Ellipse SuperLite: Designed specifically to protect and transport the Peak Care Ellipse SuperLite Rollator.

Padded Construction: Provides added protection against knocks, scuffs, and impact during travel or storage.

Reinforced Base with Castors: Sturdy board base with integrated wheels allows for smooth, upright rolling on flat surfaces.

Multiple Carrying Options: Includes a detachable shoulder strap for hands-free transport and dual top handles for easy lifting and handling.

Travel-Ready Design: Ideal for air, car, or train travel keeps your rollator safe, clean, and compact.

Lightweight Yet Durable: Weighs just 2.88 kg, offering portability without compromising on strength or protection.
